Remarks

Perched high above exquisite Sarasota Bay, Ritz-Carlton Residences #1202 harmonizes a breathtaking display of scale, privacy, dramatic views, and exceptional design. Internationally renowned interior designer Geoffrey Bradfield paid the utmost attention to every detail as he masterfully crafted this sanctuary. The glamor unfolds gracefully as you enter the condos serene foyer featuring a beautifully architected gold-leaved ceiling, upholstered silk walls, and a custom lighting plan. Situated just off the foyer is a custom walk-in closet and a powder room finished with ultra-suede walls and modern stainless steel and glass pedestal sink. Crema Marfil marble flooring which runs throughout the condos public spaces leads you into a Grand Salon with a stunning tiered ceiling, gracious windows overlooking Marina Jack and the Ringling Causeway, fabulous lacquered cabinetry, and architectural moldings and accent columns. The large eat-in kitchen features sleek Poggenpohl cabinetry providing more than ample storage for any host or chef as well as a built-in desk area. The appliance package is top notch: Sub-Zero refrigerator/freezer, Gaggenau cooktop with a stainless steel and glass hood, Bosch double wall ovens, and a Miele dishwasher. The kitchen's custom lighting plan
